## Description

K-MAX® is a medium-to-heavy lift helicopter. With unmatched performance, its innovative design has been proven worldwide as a low-maintenance helicopter with unique capabilities and high reliability rates. From firefighting missions and powerline construction to humanitarian relief and emergency response, K-MAX is the ultimate multi-tasker with a cargo capacity of 6,000 lbs. We have three new K-MAX aircraft available for immediate purchase. These are last time build. The list price of U.S.\$6,000,000 each includes a three-year free spares pool inclusion. \*\*\*Willing to negotiate if someone is interested in buying more than one.\*\*\*

*The descriptions and/or specifications provided are for introductory information only and do not imply any warranties or representations. The Purchaser is responsible for verification of specifications upon inspection. The Helicopter is offered subject to prior sale, lease or withdrawal from the market without prior notice.*
