Description

Completely refurbished, utility configured and chemically stripped and painted in 2019. Main Transmission, 42 degree Gearbox + Main Rotor Mast Assy were all recently overhauled. Both Pratt & Whitney PT6T-3B Engines have great TBO. The BLR Fast Fin Tail Rotor Enhancement and Dual Strake STC improves hover hold in all conditions, particularly in challenging crosswinds. This 212 HP is perfectly suited for heavy lifting, transporting large groups, fire fighting, heli-logging and utility work.

The descriptions and/or specifications provided are for introductory information only and do not imply any warranties or representations. The Purchaser is responsible for verification of specifications upon inspection. The Helicopter is offered subject to prior sale, lease or withdrawal from the market without prior notice.
