Description

DETAILS Listing 23-155 - 2012 Robinson R66
Looking for an incredible helicopter that is ready to take you on your next adventure? Look no further than this stunning 2012 Robinson R66 helicopter! With just 1,113 hours of flight time since new, this helicopter has plenty of life left, with over 887 hours remaining before the required 2000-hour overhaul. The exterior is a stunning burgundy with a cream accent stripe, making it a real head-turner on the tarmac. The crisp grey leather interior with a matching headliner provides passengers with the utmost comfort and luxury. This helicopter has a standard VFR panel, including a pilot-side GPS bar with a Garmin 500 WAAS GPS installed. The helicopter also has air conditioning to keep you cool on those hot summer days. This Robinson R66 helicopter has had only two private owners since new and has been meticulously maintained and cared for throughout its life. The main rotor blades were installed in 2012, and they have ten months until they require replacement, giving you plenty of time to enjoy this helicopter before any necessary maintenance. Tail Rotor Blades swapped out in 2017 at a total time of 675.6 hours, giving them 1562 hours remaining or calendar of February 2029. With so many flight hours remaining until the required 2000-hour overhaul, this helicopter is the perfect choice for anyone looking for a reliable, high-quality aircraft. Don't miss your chance to own this incredible R66 helicopter and take your flying adventures to new heights! Location: Pearland, Texas
