Description

Listing 23-159 - 1989 McDonnell Douglas 500E
Experience the thrill of flight with this highly capable 1989 MD500E helicopter. This meticulously maintained aircraft combines power with exceptional maneuverability to deliver an unparalleled flying experience. Whether you're a private owner or utility operator, this helicopter is the perfect choice for you. The MD500E is renowned for its versatility, making it ideal for a wide range of missions. Aerial survey, law enforcement, utility operations, or for a private owner looking to experience the thrill of this iconic airframe, whatever the mission – the MD500 will exceed all expectations. Meticulously maintained throughout its life, ensuring optimal performance and safety. Regular inspections and adherence to maintenance schedules have kept this helicopter in superb condition, making it a reliable choice for discerning buyers. With over 50% airframe component life remaining and over 60% engine life remaining, this helicopter offers exceptional component life providing tremendous value for the new owner. You can confidently enjoy years of dependable operation, knowing ample life remains with critical airframe and engine components. Don't miss your chance to own this legendary helicopter! The MD500 can be the backbone of your utility operation or the centerpiece of your private aviation collection.
