Description

The world's safest piston helicopter, a brand new 2023 Schweizer S300C is available to fly away today! The 300C is the ideal training and/or starter personal adventure helicopter. It features high landing gear for off airport adventures, stable rotor system, standard between-the-knees cyclic, and unmatched cabin visibility. Built to baseline specifications, this available helicopter can be completely customized to your requirements before leaving the factory. Current onboard equipment includes GNS 430 NAV/COM and RC Allen 26BK-34 Attitude Gyro. Digital instruments and upgraded Garmin GTN 650Xi are available as well as aux fuel tank, and more. Trade-in Schweizer S300C and S300CBI aircraft considered. Aircraft can be flown away or shipped globally. Call or email our sales team for more details.
