

Exported Listing

Bell 206B3

780,000

Manufacturer	Bell
Category	n/a
Configuration	Private
Year	2007
Time	1888
Price	780000.00
Serial Number	n/a
Registration Number	n/a

Description
Chile

For inquiries you can reach the seller at:

Email Address: luciano@aviadores.com.br | Phone Number: +5511987556622

Avionics

Standard flight instruments and engine:

Clock, Compass quartz digital stopwatch, magnetic

Dual tachometer inclinometer (rotor and motor)

Speedometer

Altimeter

Engine Oil Pressure/Temperature Gauge

Indicator, outdoor temperature

Fuel quantity indicator

Fuel pressure/generator load indicator Indicator, gas producer speed

Torque wrench pressure indicator

Transmission Oil Pressure/Temperature Gauge

Turbine outlet temperature indicator with overflow light

Hourmeter

Warning lights:

Luggage door open sensor

Sensor Engine fuel pump inoperative

Engine failure warning

Battery temperature sensor Battery hot

Fuel filter bypass indicator, Generator failure, Engine oil pressure

transmission and transmission oil temperature

Chip detectors, magnetic motor, main transmission, tail rotor gearbox

Engine output and low rotor speed warning lights and horn with mute switch

Battery temperature sensor Battery hot

Equipment

Listing Provided By **HeliTrader.com** | <https://helitrader.com/for-sale/helicopters/bell/206b3/bell-206b3-35/>

Equipment:

Particle separator

Air conditioning (to be installed).

Cable cutter

GNS530 GPSMAP GARMIN

GMA345 GARMIN Audio Box,

SL40 VHF /WITH GARMIN

GTX 330 TRANSPONDER GARMIN

Vertical Compass

Digital watch

Altimeter in Millibars

Hourmeter

Speedometer

Artificial Horizon

Remarks

FOB aircraft – South America

The Bell 206B Helicopter is one of the most well-known helicopters of all time. This single turbine helicopter has proven itself as a reliable and versatile platform for commercial, utility and passenger transport purposes.

Capable of accommodating a pilot and up to 4 passengers with an excellent view of the external environment.

The Jet Ranger Helicopter has an autonomy of over 3 hours of flight, and a cruising speed of around 130 kts.

Its versatility originates from the ease of adapting the aircraft according to needs. The Jet Ranger is used very frequently in public bodies such as police, firefighters and also in military forces as equipment for training in civil aviation, for Air Taxis due to its comfort and safety.

The aircraft above belongs to a third party and as such is subject to prior sale and/or price change. Data provided by the owner, subject to verification.

The descriptions and/or specifications provided are for introductory information only and do not imply any warranties or representations. The Purchaser is responsible for verification of specifications upon inspection. The Helicopter is offered subject to prior sale, lease or withdrawal from the market without prior notice.
