Description

Listing 23-166 - 2002 Robinson R44 Raven I This well-maintained 2002 Robinson R44 Raven I is available for immediate sale. The main rotor blades were replaced in December 2018. With the airframe having less than 800 hours flown, and the engine freshly overhauled (56 hours since overhaul), this helicopter has a long life ahead of it. The 9-hole instrument panel and pilot accessory bar make this the perfect ship for instrument training or personal-use avionics upgrades. Emergency floats are also installed, giving this the potential to be a great ship for over-water adventures. Located in Chicago Heights, Illinois, call the Sellacopter team today to learn more or schedule a showing!

Avionics

- Garmin GNS 430 GPS
- Garmin GTX 327 Transponder W/ ADS-B Out
