Description

Listing 24-160 - 2015 Robinson R44 Raven II We are pleased to offer this meticulously maintained 2015 Robinson R44 Raven II. Located in Sugar Land, Texas, this helicopter presents an exceptional opportunity for buyers seeking a high-quality, reliable aircraft with modern avionics and pristine aesthetics. With both the airframe and engine having a total time of 694 hours and no known damage history, this machine stands out in its class. The MR blades were replaced in December 2019 at 450 hours, ensuring continued performance and reliability. The helicopter comes with complete maintenance records since new and had an extensive inspection performed in April 2024, guaranteeing the aircraft is in top operational condition. The exterior is in excellent condition, boasting a striking blue color, rated 9 out of 10. The interior features new gray leather seats, rated a perfect 10 out of 10, providing a luxurious and comfortable cabin experience. This aircraft comes equipped with a comprehensive suite of modern avionics, including the Aspen 1000H, Garmin 725 with ADS-B IN (pilot side accessory bar), GTX 330ES transponder with ADS-B Out, GMA 350 audio panel, 2x GTR 225B comms, and Integra ELT. Additionally, the helicopter includes dual controls, adding to its versatility and appeal for various operational needs. This 2015 Robinson R44 Raven II stands out due to its low hours, complete maintenance records, and excellent condition both inside and out. The asking price is reflective of its superior condition and features. For more information or to arrange a viewing, contact John Lampert at (512) 886-8220 or via email at John.L@sellacopter.com.
