Description

An excellent opportunity to purchase this Bell 206L1 Long Ranger, G-LIMO had an extensive refurbishment in 2017 which included new windows, complete interior plastics, new carpets, seats, avionics and a bare metal respray - cosmetically this aircraft is perfect and has been maintained to the highest standards by Helix Av and benefits from a M/R head and Mast overhaul

She has been in the UK for many years, its history and records are impeccable, LIMO is one of the smoothest Long Rangers that we have flown. Currently private owned and always kept in a hangar. Helix can assist with Export C of A and worldwide shipping
