Description

2001 Airbus EC120B. Immediate availability. - Engine currently on Safran SBH Program. In 2021 the 15-Years inspection was executed at Safran, and several new components were installed. - Completely redesign: new leather interior, new carpets, new airframe exterior and interior paint, all new windshield and side windows. Bose stereo connection. - 12-year airframe inspection completed on July/2021. Huge investment on several items. - Original Fuel flow meter, an expensive optional. Gives range in distance and flight time. - Price includes annual inspection and and Export COA at the time of delivery. Seller is a Part 135 Operator and a Part 145 Maintenance Facility.

Avionics

In 2021 installed the best avionics available on the market:

- Latest Garmin double 7" portrait screen G500HTxi (pilot and copilot).
- GTN750HTxi with remote audio and transponder. Only way to make it fit so many equipment on the central console.
- As the stand-by instrument: MD302 with independent magnetometer and battery.
- As support instrument, Davtron M803 with time and voltage.
- Clean glass cockpit panel.
