Description

2024 Factory New Airbus H125 Available! Contact Hillsboro Aviation now for pricing and additional information. H125 is the undisputed leader in aerial work, passenger transport, airborne law enforcement and private business aviation, primarily due to its performance, operational simplicity and acquisition cost. The H125 has been in service for more than 40 years, and has been the best seller in its class for the last 3 decades. There are hundreds of options and STCs (Supplement Type Certificates) available to enlarge the scope of your missions, such as the "Fast Fin" that increases payload up to 132 lbs at altitude.

Avionics

- Garmin GTN650Xi & G500Txi half glass with synthetic vision option

Equipment

- Dual Hydraulics
- High Skids with long boarding steps
- LH sliding door W/reduced Hi-VIS door
- HI-VIS Main Rotor Blades

The descriptions and/or specifications provided are for introductory information only and do not imply any warranties or representations. The Purchaser is responsible for verification of specifications upon inspection. The Helicopter is offered subject to prior sale, lease or withdrawal from the market without prior notice.
