Description

Listing 23-150 - 2006 Robinson R44 Raven II
This beautiful 2006 R44 Raven II helicopter has 2101 total time, leaving 99 hours remaining until the 2200-hour overhaul. The main rotor blades have 689 hours and 253 hours respectively, and the tail rotor blades have 1530 hours remaining. Not having to replace these items at the 2200-hour overhaul will significantly reduce the cost of the overhaul. It is equipped with a nine-hole panel and is currently being used for IFR flight training. The exterior and interior both present above average. This helicopter is equipped with crash-resistant fuel bladders, giving the new owner greater peace of mind. The aircraft is located in Tampa Bay, Florida and is available for immediate showings!
